Frame 1 element ELEGANCE active white

Brand: SCHNEIDER

Reference: SCHNEIDER MTN4010-3035

The **1-gang frame ELEGANCE active white** is a high-quality product designed to provide functionality and style to any environment. With its elegant white color and modern design, this frame offers a perfect solution for integrating electrical elements in residential or commercial spaces.

- Compatible with standard electrical elements
- Manufactured with high-resistance materials
- Elegant and modern design
- Easy installation and maintenance
- Active white finish for greater durability

The **1-gang frame ELEGANCE active white** is the ideal choice for those seeking a durable and aesthetically appealing product. Its compatibility with standard electrical elements makes it a versatile solution for a variety of applications. Thanks to its manufacture with high-resistance materials, this frame guarantees a long service life and reliable performance. Additionally, its elegant and modern design adds a touch of sophistication to any environment, while its active white finish provides greater durability against daily use. The installation and maintenance of this frame are simple, making it an excellent option for both professionals and end users seeking quality and convenience.
