Practibox S embedding box smooth door 1x12 rows

Brand: LEGRAND

Reference: LEGRAND 135041

The Practibox S 1x4 smooth door embedding box is a solution for flush mounting in walls with conventional partitions. With dimensions of 216mm x 184mm x 100mm, it has a fire resistance of 650° and is supplied with a door and built-in earth terminals to save assembly time and guarantee a perfect finish.

Main technical characteristics:

- Designed for recessed mounting in walls with conventional partitions
- 650° fire resistance
- IP40 IK07 Class II
- Plastic material
- Supplied with door and built-in ground terminals

Description

The Practibox S 1x4 Flush Door Flush Box is a solution for flush mounting in walls with conventional partitions, designed to simplify installation and wiring, saving assembly time and guaranteeing a perfect finish. With dimensions of 216mm x 184mm x 100mm, this box is compact and adapts to different spaces and capacity needs.

This box has a fire resistance of 650°, which makes it ideal for electrical projects that require a high level of safety and fire resistance. In addition, this box has a degree of protection IP40 IK07 Class II, which makes it resistant to dust and shock.

The Practibox S Flush-fitting Box with smooth door 1x4 is supplied with a door and built-in ground terminals, which makes it even easier to install and provides you with greater security. In addition, this box is suitable for conventional partitions, which makes it very versatile and easy to integrate into any electrical project.

In summary, the Practibox S Recessed Box with smooth door 1x4 is a compact and safe solution for electrical projects that require a high level of safety and fire resistance. With its practical and safe design, this box is designed to simplify installation and wiring, saving assembly time and guaranteeing a perfect finish.

Additional technical characteristics:

- Modular design to adapt to different space and capacity needs
- Easy installation and configuration
- Allows great versatility and adaptability in any type of electrical project

Specifications

High	235
Width	328
Colour	White
EAN	3414971218642
Manufacturer	Legrand
Weight (kg)	853,1
Depth	102
Protection	IP40
Type of installation	Flush-mounted
