Product sheet

Practibox S embedding box smooth door 4x12 rows

Brand: LEGRAND

Reference: LEGRAND 135044

The Recessed Box Practibox S smooth door 4x12 rows is designed for mounting on walls with prefabricated partitions, with a fire resistance of 650º. Its design simplifies installation and wiring, saving assembly time and guaranteeing a perfect finish.

Main technical characteristics:

- Designed for recessed mounting in walls with prefabricated partitions
- Fire resistance of 650º
- IP40 IK07 Class II
- Plastic material
- Supplied with door and built-in ground terminals
- For conventional partitions

Description

The Recessed Box Practibox S smooth door 4x12 rows is designed for flush mounting in walls with prefabricated partitions, which makes it ideal for electrical projects that require a high level of security and fire resistance. With a fire resistance of 650º, this box provides a robust and safe solution for any type of electrical project.

The Practibox S Recessed Box with smooth door 4x12 rows is designed to simplify installation and wiring, saving assembly time and guaranteeing a perfect finish. Made of high-quality plastic material, this box has a degree of protection IP40 IK07 Class II, which makes it resistant to dust and shock.

This box is also supplied with a door and ground terminals built-in, which makes installation even easier and provides you with greater security. In addition, this box is suitable for conventional partitions, which makes it very versatile and easy to integrate into any electrical project.

In summary, the Practibox S Recessed Box with smooth door 4x12 rows is a robust and safe solution for electrical projects that require a high level of safety and fire resistance. With its practical and safe design, this box is designed to simplify installation and wiring, saving assembly time and guaranteeing a perfect finish.

Additional technical characteristics:

- Modular design to adapt to different space and capacity needs
- Easy installation and configuration
- Allows great versatility and adaptability in any type of electrical project

Specifications

High	765
Width	328
Colour	White
EAN	3414971218673
Manufacturer	Legrand
Weight (kg)	2814,85
Depth	103
Protection	IP40
Type of installation	Flush-mounted
