Description

Legrand Oteo 086040 simple white TV socket The Legrand Oteo 086040 simple white TV socket is an excellent option for distributing TV and radio signals in your home or office. With a 9.5mm male and R female TV connector, SAT "F" and a distribution of TV and Radio signals from all operators, this socket offers reliable connectivity for a variety of devices.

Additional technical characteristics:

- Recommended 17V cable (attenuation 17 dB in 100 m) for optimal signal quality
- Shielded star TV to minimize interference
- Modular surface mechanisms for easy and customized installation
- IP 2X protection against direct contact for greater safety
- Open terminals for faster and easier connection
- RAL 9010 white finish for an elegant and understated appearance that blends into any environment.
