

## Product sheet

## RJ45 socket category 6 FTP 1 white module

Brand: LEGRAND

Reference: LEGRAND 076562

The white RJ45 Category 6 FTP 1-module socket is a quick and tool-free connection socket that accepts single-wire and multi-wire cables. With dual color-coded contacts and numbers 568 A and B, this socket complies with ISO/IEC 11801 ed. 2.0 (2011) EN 50173-1 and EIA/TIA 568 C2.

Main technical characteristics:

- Quick connection base without tools.
- Accepts AWG 22-26 single and multi-core cables.
- Contacts identified with double color code and numbers 568 A and B.
- Complies with ISO/IEC 11801 ed. 2.0 (2011) EN 50173-1 and EIA/TIA 568 C2.

### Description

The white RJ45 Category 6 FTP 1-module socket is a quick and tool-free connection base, which offers a practical and efficient solution for the installation of data networks. This socket has a capacity of 1 module, which makes it compatible with a wide variety of plates and connection devices.

One of the most outstanding features of this socket is its ability to accept single-wire cables and 22-26 AWG stranded strands, making it versatile and suitable for a wide variety of applications. In addition, the socket contacts are identified with a double color code and numbers 568 A and B, which facilitates its installation and connection.

Other additional technical features include:

- Compact and lightweight design, which makes it easy to install and transport.

- Compliance with ISO/IEC 11801 ed. 2.0 (2011) EN 50173-1 and EIA/TIA 568 C2, which guarantee its quality and long-term reliability.
- High-quality construction, which guarantees its durability and resistance to corrosion and wear.
- Compatibility with a wide variety of connection devices, making it suitable for a wide variety of network applications.

In short, the Category 6 RJ45 jack FTP 1 white module is an efficient and reliable solution for the installation of data networks. With its quick, tool-less connection capability, acceptance of single and multi-core cables, and compliance with international standards, this outlet is an ideal choice for those looking for a quality and reliable solution to their network connection needs.

Specifications

|              |                       |
|--------------|-----------------------|
| High         | 33,7                  |
| Width        | 22,5                  |
| Colour       | White                 |
| EAN          | 3245060765620         |
| Manufacturer | Legrand               |
| Weight (kg)  | 17,96                 |
| Piece type   | Electrical mechanisms |
| Series       | Legrand Mosaic        |
