RJ45 socket category 6 FTP 2 modules white

Brand: LEGRAND

Reference: LEGRAND 076565

The 2-module white RJ45 Category 6 FTP socket is a quick and tool-free connection socket that accepts single-wire and multi-wire cables. With dual color-coded contacts and numbers 568 A and B, this socket complies with ISO/IEC 11801 ed. 2.0 (2011) EN 50173-1 and EIA/TIA 568 C2.

Main technical characteristics:

- Quick connection base without tools.
- Accepts AWG 22-26 single and multi-core cables.
- Contacts identified with double color code and numbers 568 A and B.
- Complies with ISO/IEC 11801 ed. 2.0 (2011) EN 50173-1 and EIA/TIA 568 C2.
- Capacity for 2 modules.

Description

The 2-module white RJ45 Category 6 FTP socket is a fast, tool-free connection base that offers a practical and efficient solution for installing data networks. This socket has a 2-module capacity, which makes it compatible with a wide variety of plates and connection devices.

The ability to accept AWG 22-26 single and multi-core cables is a prominent feature of this socket, making it suitable for a wide variety of applications and environments. In addition, the socket contacts are identified with a double color code and numbers 568 A and B, which facilitates its installation and connection.

Other additional technical features include:

- Compact and lightweight design, which makes it easy to install and transport.
- Compliance with ISO/IEC 11801 ed. 2.0 (2011) EN 50173-1 and EIA/TIA 568 C2, which guarantee its quality and long-term reliability.
- High-quality construction, which guarantees its durability and resistance to corrosion and wear.
- Compatibility with a wide variety of connection devices, making it suitable for a wide variety of network applications.

In short, the Category 6 RJ45 jack FTP 2 white modules is an efficient and reliable solution for the installation of data networks. With its quick, tool-less connection capability, acceptance of single and multi-core cables, and compliance with international standards, this outlet is an ideal choice for those seeking a quality and reliable solution for their network connection needs. The socket's 2-module capacity also makes it suitable for installations that require more than one connection device.

Specifications

High	33,7
Width	45
Colour	White
EAN	3245060765651
Manufacturer	Legrand
Weight (kg)	22,04
Piece type	Electrical mechanisms
Series	Legrand Mosaic
