Description

The mineral stone refill for shower head REF.01838 is a product designed to improve water quality in the shower, providing a healthier and more enjoyable bathing experience. These mineral stones are formulated to filter impurities and offer benefits to the skin and hair, thanks to their natural properties. Regular use can contribute to a more relaxing and revitalizing environment during the bath.

- Reference: 01838
- Composition: blend of natural mineral stones
- Function: water filtration and enhancement of bathing quality
- Benefits: helps soften the skin and revitalize hair
- Durability: each refill has a long lifespan
- Compatibility: suitable for most standard shower heads
- Easy installation: can be replaced without additional tools
- Recommendation: change the refill every 6 months to maintain effectiveness
