Description

Duopower plug Ø8x40mm DIY 50 units

- Combines two material components for greater performance
- Safe functions for solid materials (expansion) and perforated or plates (locking/knotting)
- Simple assembly: the narrow edge of the plug prevents it from sinking into the perforation
- You can see that the plug fits perfectly
- Versatile applications in furniture, lighting, shelves, cabinets, pictures, blinds, curtains, sinks, plumbing, heating, bathrooms, toilets, extractor hoods, among others
- Compatible materials include concrete, solid brick, cellular concrete, plasterboard, natural stone, chipboard panels, among others
