Description

Digital Level/Angle Meter 40cm 0-42-087 Stanley

The Stanley 40cm digital angle meter level is a versatile and precise tool that will help you measure and calculate angles in a simple and efficient way. Its anodized aluminum structure makes it resistant and durable, while its 2 vials allow you to also use it as a level. With LCD display and functions such as hold and supplementary angle calculation, this meter is ideal for carpentry, construction and DIY work. Powered by 2 AAA batteries included, lasting approximately 100 hours. With a measurement range of 0° to 180° and an accuracy of ±0.1°, this digital angle measuring level from Stanley is an essential tool for any professional or hobbyist looking for precision and reliability in their measurements.

- 40cm anodized aluminum structure
- 2 vials to use as a level
- LCD screen
- Hold functions and supplementary angle calculation
- Works with 2 AAA batteries included (±100 hours of life)
- Measuring angle from 0° to 180°
- Accuracy of ±0.1°

Specifications

EAN	3253560420871
Manufacturer	STANLEY
Country of origin	Spain
Weight (kg)	1, 506
