Description

Tesa 4344 Precision Mask Standard is a high-quality masking tape, with an extra-thin but strong paper backing and a uniquely formulated acrylic adhesive. This combination allows the tape to be easily removed up to 5 months after application, making it ideal for various painting tasks in a single masking process.

Dimensions: 50m x 25mm

Extra-thin and durable paper backing

Uniquely formulated acrylic adhesive

Can be easily removed up to 5 months after application

Ideal for various painting tasks in a single masking process
