Description

The EDM 2-step steel ladder is a stool with a steel platform that offers safety and comfort in each use. With a 30x20cm non-slip mat and anti-opening safety system, this product guarantees stability and protection to the user. The PE tips with non-slip reliefs provide greater grip on different surfaces, while its dimensions of 47x55x82cm (width/depth/height) make it compact and easy to store. The height of the last step is 0.47cm, which facilitates access to high places in a safe and practical way. Ideal for housework, DIY jobs or any activity that requires reaching heights safely and comfortably.
