Description

The Elastic Mesh for Meat Fillings from food&more is an essential accessory in the kitchen to prepare delicious rounds of meat without the filling coming out. Made with polyester mesh and latex cord, this elastic mesh is resistant up to 240°C, making it perfect for use in the oven. Its size of 200x60mm makes it ideal for wrapping different types of meat and ensuring that they maintain their shape during cooking. In addition, its white color gives it a clean and professional appearance when presenting your dishes. With this elastic mesh, you can surprise your guests with perfectly filled and evenly cooked dishes.

- Material: polyester mesh, latex cord
- Size: 200x60mm
- Resistant up to 240°C
- Ideal for preparing meat rounds
- Prevents the filling from coming out during cooking
- White color for a professional presentation
