Description

The Drygres Drill Bit 8mm 5989 Rubi is ideal for drilling all types of ceramic tiles, especially porcelain stoneware, marble and granite. With a small constant orbital movement, this drill bit allows you to drill ceramics efficiently. Subsequently, you can continue drilling the support with a normal drill bit. Thanks to its M14 thread connection, it can be used directly with a grinder. Perfect for placing bathroom accessories or decoration on ceramic surfaces, this dry cut drill bit guarantees precise and quality work.
