Description

The Rubi Softgrip 700g handle pot is a high quality product designed to offer resistance and comfort to the professional. Its head is made of special forged, quenched and tempered steel, which guarantees exceptional durability. The innovative Softgrip ergonomic handle provides greater ergonomics and comfort thanks to its bi-material grip surface. Weighing 700g, this pot is ideal for construction and gardening work that requires precision and resistance.

- Rubi Softgrip 700g handle pot
- High resistance in the head made of special forged, hardened and tempered steel
- Ergonomic Softgrip handle for greater comfort
- Weight of 700g ideal for construction and gardening work
