RUBIClean EasyPro RUBI bucket

Brand: RUBI

Reference: EDM 79631

**RubiClean EasyPro Rubi bucket**

- Maximum capacity of 24l, useful capacity of 12l
- Made of polypropylene, light and resistant
- High impact polystyrene wringing grid
- Double roller system for optimal wringing
- Compatible with sponges and floats with hand sponge
- Dimensions: 55x32x27cm, net weight 1.5kg
- Longitudinal handle for greater stability

[View product online](#)**Description**

The RubiClean EasyPro Bucket is ideal for cleaning after laying ceramic tiles. Made of polypropylene, it is light and resistant, with a high-impact polystyrene draining grid for greater rigidity. Its double roller system with perforations ensures optimal draining and better use of cleaning water. Compatible with sponges and traditional hand sponge floats, it has a maximum capacity of 24l, but a useful capacity of 12l when completely covering the grate. With dimensions of 55x32x27cm and net weight of 1.5kg, it incorporates a longitudinal handle for greater stability and to avoid spills.

- Material: polypropylene
- High impact polystyrene draining grid
- Double roller system with perforations
- Maximum capacity of 24l, useful capacity of 12l
- Dimensions: 55x32x27cm
- Net weight: 1. 5kg
- Compatible with sponges and traditional hand sponge floats
- Includes longitudinal handle for greater stability

Specifications

EAN	8413797219456
Manufacturer	RUBI
Country of origin	Spain
Weight (kg)	1, 853
