RUBIlevel 60cm RUBI

Brand: RUBI

Reference: EDM 79645

Rubilevel 60cm Rubi

- Made of rectangular section aluminum profile for great lightness and resistance
- Longitudinal ribs for greater structural reinforcement
- Machined base for constant precision of 0.5mm/m
- Three acrylic vials sealed with epoxy resin for impact and UV resistance
- Allows horizontal level checks , vertical and on 45° slopes

Description

Rubilevel 60cm Rubi is a level made of rectangular section aluminum profile, which combines lightness with resistance thanks to its longitudinal ribs. The machined base guarantees a constant precision of 0.5mm/m, while its three acrylic vials sealed with epoxy resin offer high resistance to impacts and UV rays. This level allows checks and verifications of horizontal, vertical levels and on 45° slopes.

- Made of rectangular section aluminum profile
- Longitudinal ribs for greater structural reinforcement
- Constant precision of 0.5mm/m on the machined base
- Three acrylic vials sealed with epoxy resin
- High resistance to impacts and UV rays
- Allows verification of horizontal, vertical levels and 45° slopes

Specifications

EAN	8413797769227
Manufacturer	RUBI
Country of origin	Spain

Weight (kg)	0, 35
