Description

Rubi's Delta Level System N Wedge is a system that facilitates optimal leveling of ceramic tiles, guaranteeing homogeneous flatness across the entire surface. Its design allows for quick and intuitive installation by hand, and then the final pressure can be applied with the delta Is pliers without effort or delay. Made of PP, this wedge is an essential tool to obtain professional results in your tile laying projects.

- Facilitates optimal leveling of ceramic tiles
- Guarantees flatness homogeneous on the entire surface
- Quick and intuitive installation by hand
- Definitive pressure with the delta Is pliers without effort or delay
- Made of PP for greater durability

Specifications

EAN	8413797039528
Manufacturer	RUBI
Country of origin	Spain
Weight (kg)	0, 621
