Description

The TB-CT-01 ToughBuilt contractor tool bag is the perfect solution for transporting your tools safely and organized. With its innovative design, the cliptech pouch easily clips on and off any belt, allowing you to place it at your side for quick access to your tools. The included cliptech hub gives you the flexibility to customize the layout of the pockets and loops to your needs. In addition, it has a heavy-duty hammer loop, a speed square pocket and 2 pockets with hidden seams that do not get in the way during use. Its robust 6-layer construction ensures durability and resistance in demanding work environments. With 23 pockets and loops, including a laptop pocket, this bag is the ideal choice for contractors and professionals looking for a high-quality storage solution.
