

## Product sheet

## Pack 2 Units. Nylon Pulley 40mm EDM Screw

Brand: EDM

Reference: EDM 85373

### Pack 2 Units. Nylon Pulley 40mm EDM Screw

- Diameter: 40mm
- Material: Resistant Nylon
- Includes screw for easy installation
- Perfect for EDM machinery
- Reduces friction and prolongs belt life
- Compatible with various models of EDM machines

## Description

This pack includes 2 40mm nylon pulleys with EDM screw, ideal for various industrial applications. Pulleys are designed to ensure smooth and efficient operation in machinery and equipment requiring transmission of motion. Their high-quality nylon construction ensures durability and abrasion resistance, making them ideal for demanding work environments. The EDM screw provides a secure and reliable hold, preventing slipping or misalignment during use. These pulleys are easy to install and fit a variety of systems and configurations. With this pack of 2 units, you will have additional spare parts or the possibility of using them in different machines or devices according to your needs. Ensure optimal performance in your equipment with these high quality nylon pulleys.

- Pack of 2 40mm nylon pulleys
- EDM screw for secure fastening
- Durable and abrasion resistant
- Easy installation and adaptability to different systems
- Optimizes the performance of industrial machinery and equipment
