[View product online](#)**Description**

The IFAM ES700L 61mm Brass Finish Shield is an excellent option to reinforce the security of your door. With a solid core and trim, this shield has technical characteristics that make it highly resistant to theft attempts:

- Core reinforced with steel plates.
- Anti-drill protection: drum made of hardened steel and body protected by two steel balls that protect the screws.
- Anti-extraction protection.
- Includes trim for the inside of the door and screws for installation.
