Description

The IFAM K30 30mm brass padlock is an excellent security solution thanks to its normal arc and its automatic double-lock opening/closing system. Made with a brass body and carbonitrided and chrome-plated steel shackle, this padlock offers durable and resistant protection. In addition, it has an anti-pick security bulb for greater peace of mind.

- Size: 30mm
- Material: Brass body and carbonitrided and chrome-plated steel bow
- Opening/closing system: Automatic double latch
- Anti-pick security bulb
- K series
