Description

The **5W 4000K ICE White Adjustable LED Spotlight** is an excellent addition to your lighting project. This spotlight combines energy efficiency with versatility and style.

Energy Efficiency:

- With a power of 5W, this LED spotlight is a respectful option Environmentally friendly that consumes less energy than traditional light sources. Despite its low consumption, it provides an impressive luminous flux of 340 lumens, ensuring bright and clear lighting.

Versatile Neutral Light:

- The 4000K color temperature offers a neutral light that is suitable for a wide variety of applications. It is ideal for work spaces, kitchens, hallways and commercial areas where clear lighting without annoying shadows is required.

Adjustable Orientation:

- This spotlight is adjustable, which means you can direct the light where you need it most. This allows you to highlight decorative elements, illuminate specific areas or create custom lighting effects.

Durable Construction:

- Made with High quality materials like aluminum and acrylic, this spotlight is built to last. The white finish gives it an elegant look that fits a variety of decorating styles.

Easy Installation:

- The installation of this spotlight is simple and can be done on ceilings or walls depending on your lighting needs.
