Description

The **Model 13 Black Fixed Ceiling Spotlight** is the perfect choice for those looking for a functional lighting solution with a touch of industrial style. This surface ceiling spotlight adds character and elegance to any space it is placed in.

One of the most notable features of this spotlight is its unique industrial design. The metal cage shade creates an interesting visual effect and adds an element of sophistication to the ensemble. This design not only provides lighting, but also serves as an attractive decorative piece for the ceiling.

The Model 13 Black Fixed Ceiling Spotlight is compatible with E27 bulbs, giving you the flexibility to choose the intensity and type of light that best suit your needs and preferences. Please note that the bulb is not included, so you can select the one you like best.

This fixed ceiling spotlight is a versatile and stylish option for a variety of settings, from industrial interiors to spaces modern and contemporary. Whether you want to highlight a specific area or simply add a touch of style to your ceiling, the Model 13 Black Fixed Ceiling Spotlight is the perfect solution.

Additional Technical Features:

- **Easy Installation:** Mounts to the ceiling easily
- **Durability:** Strong and durable construction
- **Customization:** Compatible with a variety of E27 bulbs
- **Versatile Style:** Fits a wide range of environments
- **Visual Appeal:** Metal cage-type screen design
