Description

4L gray tile waterproofing

Fischer's 4L gray tile waterproofing is an ideal paint to protect terraces, roofs and other walkable surfaces from moisture and leaks. Its special formula allows it to be applied directly to the surface to be treated and then place tiles or ceramics on top, without the need to use other additional products.

- Tile waterproofing paint
- Capacity: 4 liters
- Color: gray
- For use on terraces, roofs and walkable surfaces
- Protects against humidity and leaks
- Allows the placement of tiles or ceramics on top
- Easy application

- High resistance and durability
- Ideal for providing protection and improving the aesthetics of outdoor spaces
