Description

RP60 Manual Riveter with Multi Rotating Head 5001126 Rapid

The RP60 manual riveter with multi rotating head from Rapid offers exceptional efficiency in riveting. Its exclusive multiple nozzle allows it to be used without having to change nozzles, making it versatile and convenient. Additionally, it features a 360° rotating head that makes it easier to access tight work spaces, resulting in fewer interruptions and better results when working with sheet metal. With dimensions of 3x34.5x17cm, this tool is compact and easy to handle.

- Multiple nozzle that allows it to be used without changing nozzles
- 360° rotating head to access tight work spaces
- Fewer interruptions and better results when working with sheet metal
- Compact dimensions of 3x34.5x17cm
