Description

Stocker 600g cutting axe, ideal for gardening and DIY work. With a 500 gram head made of high quality carbon steel and anti-friction coating, it guarantees precise and efficient cutting. The ergonomic handle with non-slip inserts offers a comfortable and secure grip, while its lightweight, hollow structure reduces vibrations when hitting wood. Additionally, the back of the head can be used as a hammer, adding versatility to the product. Equipped with a loop for safe and comfortable transportation. With a total weight of 600g and a length of 25cm, this ax is an essential tool for any cutting task.
