Description

The Stocker 900g Cutting Ax is a high quality tool designed to make the job of cutting wood easier. With a 700g carbon steel head and anti-friction coating, this ax guarantees a precise and efficient cut. Its ergonomic and lightweight handle reduces vibrations and provides a secure grip thanks to non-slip inserts. Additionally, the back of the cutter head can be used as a hammer, adding versatility to the tool. Comes with a case with belt loop for convenient and secure transportation. With a total weight of 900g and a length of 45cm, this ax is an ideal choice for cutting work at home or in the field.
