Description

The Wolfcraft Standard 9mm Separable Blade Cutter (4141000) is a versatile and resistant cutting tool, ideal for precision work on different materials. With an ergonomic design and a stable metal guide, this cutter offers precise and safe control with every cut. Its durable plastic housing features a blade magazine and a slider with automatic locking function, ensuring comfortable and safe handling. In addition, its removable lid allows the blade to be safely separated and makes it easy to change the blade when necessary. With a light weight of 0.029kg, this cutter is easy to transport and use on any project.
