Description

The Wolfcraft 18mm Metal Separable Blade Cutter (4306000) is a high-precision cutting tool ideal for working with solid materials. Its 18mm wide "profi-sharp" black blade guarantees a clean and precise cut at all times. The rugged zinc die-cast metal housing ensures durability and strength in any task. In addition, its separable blade allows a quick and easy change without the need for additional tools, being compatible with standard blades. Weighing 0.111kg, this cutter is light and easy to handle, making it an indispensable tool for any DIY or craft project.

- 18mm metal separable knife cutter with black blade "profi-sharp"
- Sturdy zinc die-cast metal housing
- Specially sharp, black separable blade 18mm wide
- Quick blade change without tools required, compatible with standard blades
