Description

Wolcraft separable blades are ideal for precision work that requires clean, defined cuts. This pack of 5 blades has 13 segments each, which allows greater durability and versatility in use. With a blade height of 9mm and a thickness of 0.5mm, these blades are perfect for cutting materials such as cardboard, paper, leather and other soft materials. Their light weight of 0.017kg makes them easy to handle and transport, making them an indispensable tool for any DIY enthusiast or professional looking for precise and quality results.

- Set of 5 separable blades
- 13 segments per blade
- Blade height: 9mm
- Blade thickness: 0.5mm
- Weight: 0.017kg
- Ideal for precise cuts in soft materials
