Description

Set with 4 Wolfcraft 8mm markers (2912000) is an essential tool for accurately marking dowel holes in 15-18mm thick boards. With dowel marking tip and smart marking tool, this set ensures exact and clear marking of the drilling position. Each marker has a working diameter of ø8mm and a weight of 0.022kg, making them easy to handle and transport. Available in different diameters to adapt to different sizes of dowels, these markers are ideal for carpenters and DIY enthusiasts looking for precision and efficiency in their woodworking projects.

- Set with 4 markers for exact marking of dowel holes
- Pointed centering tip for clear marking of drilling position
- Working diameter: ø8mm
- Board thickness: 15-18mm
- Weight: 0.022kg
