Description

The SOLTER Head Inactive Screen is an essential protective accessory for welding work that guarantees the safety and comfort of the user. With a din-11 inactive filter and 108x50mm glass, this screen offers clear vision and protection against harmful ultraviolet and infrared rays. Its flip-up folding filter allows easy manipulation and adjustment according to the user's needs. In addition, its ergonomic and lightweight design ensures greater comfort during long work days. Ideal for professionals who seek quality and efficiency in their daily work.

- Din-11 inaction protection
- 108x50mm glass
- Flip-up folding filter
- Protection against ultraviolet and infrared rays
- Ergonomic and lightweight design
