Description

The PIHER Prop Shoe 6x35cm (34037) is a high quality prop shoe designed to provide stability and safety in construction and DIY work. With an aluminum body and stainless steel springs, this shoe is strong and durable. Its non-slip EPDM surface ensures a secure grip on a variety of surfaces, while its extra-long design provides greater stability. With instant attachment on both shoes, this shoe is easy to use and transport. Weighing only 0.2200kg, it is light and easy to handle. Ideal for professionals and hobbyists alike, the PIHER Prop Shoe 6x35cm (34037) is an essential tool for any construction or renovation project.
