Description

The PIHER 1/4"-3/8"-5/8" multi-device support (34061) is a versatile and practical accessory for the installation of different devices. Its new design allows for faster and easier installation, thanks to its aluminum construction and its unique joint that allows multiple positions. With a support force of 3kg, this support is ideal for holding lasers, cameras and other devices with the included 1/4 UNC adapter. In addition, it comes with thread adapters for greater versatility.

- Universal multi-device support
- Aluminum construction
- Multi-position with a single joint
- Support force of 3kg
- Included 1/4 unc adapter for laser, cameras, etc.
- Includes thread adapters
- Weight: 0.4090kg
