Description

The PIHER 3cm Adjustable Clamp (30910) is a versatile and resistant tool, ideal for clamping work on different projects. With an ergonomic and functional design, this clamp has an adjustable pressure force using a screw, which allows it to be adapted to the specific needs of each task. Its nylon and fiberglass body guarantees durability and lightness, while the variable-angle PE jaws ensure a firm and precise grip. In addition, the extra-strong tempered spring provides greater resistance and efficiency in use. Weighing 0.08kg and measuring 12x8x3cm, this clamp is easy to transport and store. In summary, the PIHER 3cm Adjustable Clamp (30910) is an essential tool for any professional or hobbyist looking for quality and performance in their clamping work.

Specifications

EAN	8422473309107
