Description

The ABUS Black 20mm Combination Padlock (715/20) is a safe and reliable option to protect your belongings. With a solid die-cast zinc body and hardened steel shackle, this padlock offers exceptional resistance against break-in attempts. In addition, its 4-digit reprogrammable code allows you to personalize the combination according to your preferences. With a body measurement of 20mm, this padlock is compact and easy to transport, ideal for use in backpacks, suitcases, lockers and more.

- 20mm black combination padlock
- Solid die-cast zinc body
- Hardened steel shackle
- 4-digit reprogrammable code
- Body measurement: 20mm
