Description

The ABUS Touch 50mm Fingerprint Padlock is an innovative and secure solution to protect your belongings with fingerprint technology. With a quick and easy opening, this lock offers the possibility of registering up to 20 fingerprints and two administrators for personalized access. Its resistant and durable design has IP68 certification, guaranteeing its operation in various weather conditions. Additionally, its low battery tone will alert you when the batteries need to be changed, which is a quick and easy process. Protect your valuables with this high-tech padlock and enjoy the comfort and security offered by its fingerprint opening system.

- Measurements: 50mm
- Opening by fingerprint
- Capacity of up to 20 fingerprints and two administrators
- IP68 certification
- Low battery tone
- Easy battery change
