Description

This cable with step switch and plug is an excellent option to improve the functionality and style of your lighting fixtures. With a length of 1.5 meters, it allows you to place your lamps in the perfect position without having to worry about the distance between the socket and the lamp. It is ideal for floor lamps, table lamps, wall lamps and more.

The gold color adds a touch of elegance and sophistication to your decoration. It is an excellent way to add a touch of luxury to your home, since it looks elegant and adapts to different decorative styles.

The cable section of 2x0.75mm and the capacity of 2A guarantee a safety and reliability in indoor use, since it can withstand a current of up to 2A.

In addition, the step switch allows you to easily turn the lamp on and off, without having to go to the outlet. The included plug makes installation easy and allows you to place the light anywhere you want.

In short, this plug-and-tap switch cord is a great option for enhancing functionality and style of your lights. With an elegant and sophisticated design, a 2x0.75mm cable section and a 2A capacity, it is safe and reliable for indoor use. In addition, the step switch and the included plug make it easy to use the lamp. Update your home with this cable with a pass-through switch and plug!
