Description

The Smooth Textile Cable 2.5M (2x0.75mm²) in light brown color, with reference **101025008**, is a versatile solution for your wiring and lighting needs. This cable combines functionality and aesthetics, providing a practical solution for connecting electrical devices.

With a **maximum power of 60W**, this cable is suitable for a variety of applications, from lamps to small appliances. The **2x0.75mm²** section ensures a safe and reliable conduction capacity of electrical current.

The smooth textile design of the cable not only adds a touch of style to your environment, it also provides durability and flexibility. Its **6mm** diameter makes it easy to handle and its length of **2.5 meters** provides enough reach to place your devices in convenient locations.

This textile cable smooth is designed to meet safety standards. With an **IP20** rating, it offers protection against solid objects larger than 12.5mm in diameter, but is not waterproof or moisture resistant. It works with a voltage of **220-240V** and is compatible with a frequency of **50/60Hz**.

In short, the 2.5M Smooth Textile Cable (2x0.75mm²) in light brown is a reliable and stylish solution to your cabling needs. With its maximum power of 60W, smooth textile design, 2x0.75mm² section and a length of 2.5 meters, this cable provides the necessary connectivity for a variety of devices. Whether for lighting or electrical applications, this cable combines functionality and style in a single solution.

Specifications

Colour	Brown
EAN	8433373069695
Manufacturer	GSC
Weight (kg)	0,135
Cable cross-section (mm ²)	2x0.75
