Carbon monoxide detector with 85db alarm

Brand: GSC

Reference: GSC 104300001

Carbon monoxide detector

- Electronic and chemical sensor.
- Decibels: <85dB.
- Measures temperature, CO level (PPM) and battery status.
- Test and pause button.
- Carbon monoxide detection from 10ppm.
- Duration: 10 years of life.
- Uses 3 LR6/AA batteries (included)

Description

Other technical characteristics:

- Alarm current: 65mA
- Standby current: 30uA
- Batteries: 3xAAA included
- Pause button
- Error, alarm, low CO, low battery and end of life warning

A carbon monoxide detector can be a valuable tool in protecting the safety of your home and preventing serious accidents. Some of the main advantages of installing a carbon monoxide detector are:

-

Protection against carbon monoxide: Carbon monoxide is a colorless and odorless gas that can be dangerous to health. A carbon monoxide detector can alert you if there are dangerous levels of this gas in your home.

-

Accident prevention: Carbon monoxide can be produced by heating devices, stoves, and other appliances that use fuels, such as natural gas or propane. A carbon monoxide detector can alert you if there is a problem with these devices, which can help prevent fires and other accidents.

-

Safety for the whole family: Everyone Family members may be in danger if there are dangerous levels of carbon monoxide in the home. A carbon monoxide detector can provide peace of mind knowing your family is being protected.

-

Easy to install: Carbon monoxide detectors are easy to install and don't require much maintenance. They can be connected to the electrical current or work with batteries, so it is not necessary to do work in the home to install them.

In summary, installing a carbon monoxide detector Carbon can provide greater security and peace of mind in your home, and can help prevent serious accidents. It is important to remember to check and change the batteries in the detectors regularly and follow the manufacturer's instructions to ensure they are working properly.

Specifications

EAN	8433373065611
Manufacturer	GSC
Measures	107x36x77mm
Weight (kg)	0,297
