Description

The 5W COB LED head torch with sensor is a versatile and efficient tool for outdoor lighting and outdoor activities. With 4 lighting modes, including 100% and 50% COB light and 100% and 50% SMD light, it is a flashlight that adapts to your lighting needs.

The autonomy of the flashlight is 2.5 to 3 hours, which means you can use it for a long time without worrying about the battery. Charging time is 4 to 5 hours with the included USB to Type-C cable charger.

The flashlight has an adjustable strap to fit your head, allowing comfortable and ergonomic use. The included 1200mAh lithium battery is of high capacity and offers a power of 5W and a brightness of 300 lumens.

The On/Off button is easy to use and allows you to easily turn the flashlight on and off. The lighting distance is 65 meters, which means it can illuminate distant objects clearly.

In short, the 5W COB LED Head Torch with Sensor is a versatile and efficient tool for outdoor lighting and outdoor activities. With long runtime and easy charging, it's a great choice for anyone looking for an efficient and easy-to-use flashlight.

Specifications

EAN	8433373062047
Manufacturer	GSC
