Description

The **1.9M LED Wire Garland** is much more than a simple string of lights. It offers a touch of charm and creativity to your spaces, allowing you to decorate in a unique and personalized way:

-

Warm Atmosphere: The 20 warm light LEDs of this garland create a cozy and relaxing atmosphere, perfect for special occasions or to subtly illuminate your favorite corners.

-

Smart Timer: With a built-in timer , you can program the garland to turn on for 6 hours and turn off automatically for the next 18 hours, saving energy and ensuring worry-free operation.

-

Flexible Design :The Ø0.38mm copper wire allows you to shape the garland according to your needs and create unique designs.

-

Versatile Use: strong> You can use this garland to decorate any space, from bedrooms and living rooms to special events like weddings and parties.

-

Easy to Feed: The garland works with 2 AA batteries (3V), which makes it very convenient to place anywhere without the need for nearby outlets.

-

Easy Installation: Simply insert the batteries and place the garland wherever you want, without the need for complicated installations.
