Description

Refresh your day with the Mini USB Desktop Fan.

With a powerful 3W power, this fan has an adjustable tilt angle and a convenient cable connection for easy connection. The protective grill guarantees additional security, while the 4 aluminum blades provide a constant and strong airflow.

Connected to a DC 5V power supply, this fan has two speeds that reach up to 2000 revolutions per minute, and a maximum flow of 4 cubic meters per minute. With a noise level of only 40 dB, this desktop fan is the perfect companion for your hot days. In addition, its attractive aquamarine color will add a touch of elegance to your space
