Description

This black nylon wine cooler is the perfect solution to keep your bottle of wine at the ideal temperature. The adjustable sleeve and side elastics ensure that your bottle stays secure and stable inside the cooler. The nylon fabric is strong and durable, ensuring your cooler will see you through many occasions.

This wine cooler is easy to use, simply place your bottle inside the cooler and submerge in cold water for a few minutes before serving. The black color is elegant and suits different styles of decoration.

This wine cooler is a great choice for any wine lover and makes a great choice for a gift. With its elegant design and made of nylon, this wine cooler will allow you to enjoy your favorite wine at the perfect temperature and in style.
