Description

The **Set of 18 Precision Screwdrivers with Ratchet, Reference 502035029**, is a complete collection of tools designed to carry out precision work with ease and reliability. This set brings together a wide variety of high-quality bits, an extension bar, and advanced technical features to meet the needs of DIY, electronics, and other applications that require precision and attention to detail.

Key technical features of the **Precision Screwdriver Set with Ratchet** include:

- **18 Pieces:** This set includes a total of 18 precision screwdrivers, which provides a wide variety of options to tackle different types of screws and tasks.

- **120mm Extendable Bar:** The 120mm extendable bar provides access to hard-to-reach places and makes it easier to work on tight areas.
- **Bit Variety:** Bits include a variety of sizes and types, including phillips, flat, torx, and hex bits, allowing you to address a wide range of common screws on a variety of projects.
- **Reinforced and Magnetized Tips:** Reinforced and magnetic tips offer greater durability and ease of use when working with small and delicate screws.

Specifications

EAN	8433373068520
Manufacturer	GSC
