Description

The **Wrench Hole Set, Reference 502055039**, is a comprehensive solution designed to meet your tightening and loosening needs in a variety of applications. This high-quality and versatile tool set is a valuable addition to any toolbox, whether for professional use or DIY tasks.

The set includes features that make it highly functional and reliable:

- **1/2" Drive:** Designed to provide a secure and efficient fit on standard size bolts and nuts.
- **Knurled Keyholes:** With a selection of 10 spline sockets in sizes ranging from 8mm to 24mm, this set allows you to tackle a wide variety of fastening and loosening tasks in different applications.
- **Extension Bar:** The included 100mm extension bar gives you greater leverage and control when using the keyholes, making it easier to access hard-to-reach areas.
- **Chrome material Vanadium:** Each socket is made from chrome vanadium, a material known for its durability and resistance to wear, ensuring tools maintain their performance over time.
- **Blue and Gray Design:** The blue and gray design is not only aesthetically pleasing, but also

makes it easy to identify the tools in the set.

- **Versatile Applications:** This set is ideal for a variety of applications, including mechanics, construction, automotive and more.
