Level 45cm with magnetic side

Brand: GSC

Reference: GSC 502065005

The **Level with Magnetic Side** of Reference **502065005** is an essential tool for achieving precise measurements and angles in construction and DIY projects. With a blade length of 450mm, this level features 3 bubble vials for precise leveling at 45°, 90° and 180°. In addition, its magnetic feature on the side facilitates its use on metal surfaces.

Main Technical Characteristics:

- **Blade length:** 450mm
- **Bubble vials:** 3
- **Bubble level:** Measurement precision 0.5
- **Road angles:** 45°/90°/180°
- **Magnet:** On the side
- **Colour:** Blue and grey

Description

The **Level with Magnetic Side** of Reference **502065005** is a versatile and reliable tool that combines precision and ease of use to achieve exact measurements and angles in a variety of projects of construction and DIY. With its 450mm blade length and advanced design, this level is an essential choice for professionals and DIY enthusiasts alike.

Key technical features of the **Magnetic Sided Level** include:

- **450mm Blade Length:** Extended blade length facilitates accurate measurements on larger areas and provides reliable results.
- **3 Bubble Vials:** Equipped with 3 bubble vials, this level allows for precise leveling at a variety of angles, including 45°, 90° and 180°.
- **Precision of 0.5 Measurement:** The spirit level of this level offers a measurement accuracy of 0.5, ensuring reliable measurements in various situations.

- **Road Angles 45°/90°/180°:** The angles available on the vials provide versatile options for accurately measuring and setting angles.
- **Magnet on Side:** The magnetic feature on the side of the level allows for secure attachment to metallic surfaces, which facilitates its use in various situations.
- **Blue and Gray Color:** The design in blue and gray colors combines functionality with style.

The **Level with Magnetic Side** is especially useful in various applications:

- **Professional Construction:** Ideal for construction projects that require precise measurements and levels at varied angles.
- **DIY & Renovation:** Perfect for home improvement projects that involve precise measurements and adjustments.

Specifications

EAN	8433373068575
Manufacturer	GSC
Weight (kg)	0,272
