[View product online](#)**Description**

The G95 15W E27 LED Globe Lamp is an excellent choice to illuminate your home with efficiency and exceptional brightness. With a power of 15W and a brightness of 1700 lumens, this lamp provides an intense light that illuminates all directions evenly.

The E27 socket is widely compatible and fits most standard luminaires, which makes its installation easier. You can easily replace your old incandescent bulbs with this LED lamp to enjoy significant energy savings.

One of the notable features of this lamp is its wide opening angle of 200 degrees. This means that the

light is distributed evenly in all directions, eliminating dark spots and creating a bright and pleasant atmosphere in your home.

The 6000K color temperature provides a cool light, ideal for areas where brighter, more focused lighting is needed, such as kitchens, bathrooms or work areas. Additionally, the CRI (Ra) greater than or equal to 80 ensures that colors appear naturally and faithfully.

This LED lamp has an impressive lifespan of 25,000 hours, meaning it will provide you with years of experience. of reliable lighting before needing replacement. In addition, its low energy consumption helps reduce your electricity costs.

The G95 15W E27 LED Globe Lamp is perfect for indoor use, and its elegant design adapts to a variety of decoration styles. Whether you use it in the living room, bedroom, kitchen or any other space, this LED lamp will provide bright and efficient lighting.
