The Globe G120 18W E27 LED Lamp is an excellent option for those looking for efficient and powerful lighting in their home. This LED lamp provides bright and clear light in all directions, making it the perfect choice to illuminate any space.

With a power of 18W and a brightness of 2000 lumens, this LED lamp is capable of illuminating large areas with ease. Whether you use it in the living room, bedroom, kitchen or any other space in your home, this lamp will provide you with quality lighting.

The E27 socket is widely compatible and fits most standard luminaires, making it easy to install. You can replace your old incandescent or fluorescent bulbs with this LED lamp without problems.

One of the outstanding features of this LED lamp is its wide opening angle of 200 degrees. This means that the light is distributed evenly in all directions, eliminating dark spots and creating a bright and pleasant atmosphere.

The color temperature of 6000K provides a cool light, ideal for areas where requires brighter, more focused lighting, such as kitchens, bathrooms or work areas. Additionally, the CRI (Ra) greater than or equal to 80 ensures that colors appear naturally and faithfully.

This LED lamp has an impressive lifespan of 25,000 hours, meaning it will provide you with years of experience. of reliable lighting before needing replacement. In addition, its low energy consumption helps reduce your electricity costs.
