Description

The **Aspe 3** With three adjustable heads, this ceiling bar allows you to direct light where you need it most, making it an ideal option for highlighting details or creating a specific atmosphere in your home.

Functional and Elegant Design

- This light strip features a modern and clean design in an attractive white finish that easily integrates into any decoration. Its three heads are a functional design element that allows you to adjust the direction of the light according to your preferences.

Versatile Lighting

- The versatility of this roof bar is one of its main characteristics. You can tilt and rotate the heads to illuminate specific areas of a room, such as a piece of art, a reading area, or, as mentioned above, the mirror in the bathroom.

Compatibility with GU10 Bulbs

- The Aspe 3 This gives you the flexibility to choose the bulbs that best suit your lighting needs and color temperature preferences.

Multiple Applications

- This product is suitable for a wide range of applications, from functional lighting in kitchens or bathrooms to highlighting decorative elements in living rooms or hallways. It is also an excellent option for commercial spaces
